

# What if

children were safe...  
you were homeless...  
the world was your audience...  
we remembered to give thanks...  
you were hungry...  
you could change your destiny...  
health care was free...  
teachers were paid as much as movie stars...  
you won the lottery...  
we could not see color...  
you could predict the future...  
we remembered to share...  
education was free...  
they found a cure...  
we remembered to recycle...  
the sun did not shine...  
you had three wishes...  
there was no tomorrow...  
we could see how lucky we are...  
everyone kept his/her promises...  
you could make a difference...

Circle K International

CKI is the world's premier collegiate service organization. A member of the Kiwanis family, CKI boasts a membership of more than 13,000 members on more than 560 campuses around the globe.

CKI is comprised of college and university students who are responsible citizens and leaders with a lifelong commitment to community service worldwide. As a collegiate organization, CKI holds the promise of today's student becoming tomorrow's leader. It exists to meet the personal needs of the individual collegian through the qualities of leadership, the rewards of service, and the unique spirit of friendship. Leadership, service and fellowship; the embodiment of the three tenets of CKI are necessary to shape the future, realized in the colleges and universities of today.

## Service

As a sponsored program of Kiwanis International, CKI shares the focus of serving the children of the world. In support of this effort, the CKI service initiative is Focusing on the Future: Children. This initiative encourages members to address the issues facing children ages six-13 and to find solutions through service for addressing these issues.

## Leadership

Through the mission and vision of the organization, CKI is dedicated to the realization of human potential. The potential of CKI lies in its ability to positively influence members of society who are facing ultimate personal decisions and those who will one day create the vision of humanity for generations to come. Leadership opportunities afford CKI members the resources and tools needed to become active citizens. CKI members can assume leadership responsibilities at all levels of the organization and through various experiential training conferences.

## Fellowship

With each element and aspect of CKI, members experience fellowship and develop lifelong relationships with fellow collegians, advisors, Kiwanians and citizens in their communities. Whether a CKI member is mentoring a child, networking with a business professional, or bowling with members, that CKI member is developing social skills, meeting new people and strengthening relationships.
